

## Old Cemetery at Most Blessed Sacrament Church, January 2012

Out of the 1179 burials in the Old Cemetery, there are 1089 deaths that I could calculate an age for (I am including those without a first or last name) the youngest death was "a few minutes" old and the oldest was 97 years 7 months.

23% died in their first year

45% died at 5 and under

50% died at 10 and under

67% died by the age of 30

76% died by the age of 50

81% died by the age of 60

87% died by the age of 70

96% died by the age of 80

99% died by the age of 90

1% lived longer than 90
