Announcement

Dear Parents/Guardians,

Please be patient at pick-up. I am one person dismissing 11 students and the safety of the children is my number one priority.

Dismissal starts at 3:05. The van students get dismissed first and then I go around in the order that I see the adults. This will get faster as I put names to faces. I would appreciate everyone's patience during dismissal. Thank you!

Chapter 1 is called **Welcomes Are Good**.

In this chapter, the children are made to feel welcome in the class and are invited to welcome others. They come to understand that God's Son, Jesus, welcomes children and that he loves them through others.

*Please continue to have your child/children practice saying their name (first and last), address, phone number, and parent's names. We worked on all of that last week at school, and these are all important things for every child to know.
