

St. Louis Catholic School
Transitional/Soft opening of school
Week of August 17th

Welcome back to St. Louis Catholic School. This is our opening week plan. We know the start of this year will be challenging, but are committed to our SLCS students and families. We have been preparing and will follow all required guidelines for the safety of everyone. We appreciate your patience as we navigate this uncertain time and prepare for a wonderful year. With your assistance we can provide a faith filled education, although it may look a little different, our faith will not waiver.
