

Courageous Women

We are courageous women! Women of hope!
Called to be Christ in our world! (repeat refrain)
Awaking to the Christ! Set ablaze as fire on Earth!
This is our Time! Yes, to our true self! We live as Love!

Christ awake in you and me!

Refrain: We are courageous women!

Mystery unfolding! Mystery beholding!

Christ emerging! Christ is waking! Christ is rising!

Rising as you and me!

Refrain: We are courageous women!

Evolving into Christ, consciousness of the Christ!

Eyes are open! Truth revealed! Light pierces through!

All is one; all is Christ! All is one; all is Christ!

Refrain: We are courageous women!
