

Update on Service Requirements for 2020-2021

Teens and Parents:

This letter is to update you all on the service requirements for Confirmation preparation this year.

Due to the pandemic, there are many people who do not feel comfortable participating in group service experiences due to personal health concerns, high risk family members, etc. In response to these concerns and our focus on prioritizing safety, service requirements will be adjusted for the 2020-2021 school year.

Hours sheets will not be required for this school year. Instead, each teen will be asked to submit a one page paper about his/her service experiences and how he/she served and reached out to the community and parish during this year.

Service papers should answer the questions below:

1. How did you choose to reach out to your community?
2. How did you choose to reach out to your parish?
3. What was the most impactful part of your service experience(s)?
4. What types of service opportunities do you plan to participate in the future?
5. Why is service an important part of living out your faith?

Service opportunities will continue to be offered through Corpus Christi, and there will be more information to sign up for these events sent out throughout the school year for those who are able to participate.

Thank you all for your continued flexibility during this time.

God bless,

Haley Heiberger
