

November Newsletter

Dear Parents,

For the month of November, we will be working on a new unit titled, **All About Us**. In this unit we will learn about what makes us important and unique. We will also learn to identify our feelings and the reasoning why we feel that way. To celebrate our environment and family, we will learn about how our families and environment are unique.

It is mandatory that your child receives their flu shot. If your child has received their flu shot, please send in a letter of proof by December 31st

Just a few reminders:

Wednesday, Nov. 11th- No school; Veteran's Day 🇺🇸

Thursday, Nov. 26th- Friday, Nov. 27th- No school (Thanksgiving Recess) 🦃

Sincerely,
Prek Teachers
