

Incoming Eighth Grade Summer Assignments

English Language Arts

All students must read Tuesdays with Morrie by Mitch Albom. Take notes as you read each chapter. You should be focusing on the main story elements (characters, setting, plot, conflict, and resolution).

A test will be given to the students in late September. The date will be announced upon the return to school in the Fall. The book will be reviewed in class prior to the test.

Mathematics

Assignments will be given directly through Dream Box. Students are expected to log into Dream Box for at least 20 minutes per day (100 minutes per week total) until the assignments are completed.

Incoming Eighth Grade Supply List 2021
