

Dear Parents of Holy Family School,

Attached you will find a packet that has been put together from your child's teacher for the 2020-2021 school year. Each packet consists of reading and mathematics. I ask that you review these packets with your child and assist them where needed. Please encourage your child to read as much as they can this summer as all students in grades 1-8 will be administered the MAP Diagnostics Exam in October. All packets and projects will be collected the first week of school for a grade. For your convenience, all packets will be posted on the school website.

Principal Monthly Newsletters will resume in August. Our summer office hours will be Monday-Thursday 9-12pm from June 22-September 4th. We hope everyone has a safe and relaxing summer vacation and we look forward to seeing you in September.

Sincerely,

A handwritten signature in dark ink that reads "Natalia Cruz". The signature is written in a cursive style with a long, sweeping flourish extending to the right.

Mrs. Natalia Cruz, Principal
