

2016-2017 Scholarship Opportunities for Seniors

Please keep in mind that the majority of scholarship monies that our students receive are granted through the colleges/universities to which they successfully apply. It is the student's responsibility to become informed about such scholarships. The Guidance Department will post scholarships awarded by various national and community organizations on Naviance and the EC website: Academics/Guidance/Newsletters. Students are encouraged to frequently review the postings for updated information.
