Dear Elyria Catholic Freshmen,

The Theology Team at Elyria Catholic High School would like to welcome you to your new school community! As the academic year draws to a close, we are already preparing for your arrival and looking forward to meeting you. Next year promises to be filled with many opportunities for academic and spiritual growth and we are confident that we have a ministry for everyone at Elyria Catholic!

Over the course of this past year, we have had the privilege of celebrating the Holy Sacrifice of the Mass as a school community and engaging in countless acts of service. Students traveled to Indianapolis to attend the National Catholic Youth Conference, served with Bishop Perez at the cathedral, assumed leadership roles in retreats, and engaged in a mature

study of their faith in the classroom. We look forward to welcoming you to this place where you will find daily prayer services, Men's and Women's Ministries, our new Altar Society, and more.

As a Catholic high school, we are uniquely blessed with the opportunity to study the fullness of the faith within the school day, which allows us to daily delve into the pages of Sacred Scripture. Examining the interaction of faith and reason, we consider all areas of knowledge and their unity in Christ. We also have the great privilege to welcome area priests to our school who not only celebrate the sacraments, but assist in ongoing ministries.

Please consider the ministries you would like to join as you look forward to the new academic year. Students at Elyria Catholic are finding their identity and voice in Christ, and we look forward to meeting you!

Yours in Christ,

The Theology Team at Elyria Catholic High School
