

Dear Parents,

The Student Council is selling Good Luck Grams, which will be delivered on the standardized testing days, March 29th and 30th. Students will be taking standardized tests in 3rd through 8th grade. Good Luck Grams cost \$1.00 each and are brightly colored greetings that will be delivered to students to wish them good luck on their tests. Each gram comes with a #2 pencil (standard requirement for testing) and a Lifesaver candy. If you would like to purchase a gram for your student(s), please return the following form with the necessary information and payment to the office. Mark the envelope with "Good Luck Grams." The deadline for sending in orders is **Wednesday, March 24th**. All the funds will go toward planned activities for the year.

Thank you so much for your purchases,

Student Council
