March 22nd
April 12th

The focus is on prayer, a tremendous and necessary resource for any who would hope to keep a religious commitment strong in their lives. We have made some changes to the program in hopes that each time we gather will be an experience for the young people to have an encounter with the Lord. We will accomplish this through games, community building, activities, instruction, small group sharing, and different experiences of prayer.

We have a great team of adult leaders and junior and senior class peer ministers. The team will prepare – instruct – small group facilitate – journey with the junior high youth.

Because of the addition of the Virtual Program – we are in need of more team members. Please contact Jim if you are able to help.

ADULTS ALWAYS NEEDED!

Adult Ministry Opportunities

Faith Formation Team - We need adults and young people willing to accompany our young people in Faith Formation as facilitators - small group leaders - monitors - tech coordinator - Sanitizing. We will train!

We need a group of adult leaders that are willing to be a "**Ministry of Presence Team**" at all of Junior High our events. It can't be just one adult at events and meetings. It is so amazing to work with young people. You will realize shortly - what a gift that will be for you. There is a stat that says that young people that are staying part of the Church are ones that have at least five faithful and faith-filled adults. '

Youth Ministry Advisory Board - This is a group of adults and young people that will help us to vision into the future. It is not a working board per-say but it will help us look into the future. The Board will by no means replace the Council and the board's leadership. It will meet monthly.

Director of Youth Ministry – Jim Flanagan – jim_flanagan@holynameparish.com – (cell) 617-922-0024
