Dear Parishioners,

Like I wrote in the last week's bulletin It is good to see most of you in the Church for weekdays and weekend Mass but I too see that few of our Parishioners stay at home due to their health condition and for the welfare of your family. I feel bad that while most of our Parishioners get to participate in the weekend Mass regularly, all those who stay home are not able to participate in our Parish Mass. Few of our Parishioners expressed their concern on why Can't we livestream our Mass like we did it while we were locked down. Before doing it I want to get the opinions from you people whether it is ok to livestream our Sunday Mass on Facebook at 9 AM or you are comfortable and ok with watching live Mass on TV. If you people agree with me doing Facebook live Mass on Sunday let me know either through Facebook Messenger or Email or phone call or text. Let us continue to pray that the whole world will be in peace. Please feel free to reach out to the Rectory if you have any questions or concerns.
