Well, your little baby now weighs 6 ounces. He has fingernails and eyelashes. He has his own unique fingerprints which will remain unchanged throughout his life. His tastebuds are working. His sense of hearing is present at 14 weeks. There are no major bodily developments anymore. Your spiritually adopted baby is already well-formed, internally, and externally. All he needs now is time to gain weight and grow strong.

FOOD PANTRY

The food pantry is always in need of food stuffs and/or monetary donations! Please be generous. Thank you for your increased giving to the food pantry.
