

SEGUNDA COLECTA HOY

Los religiosos ancianos necesitan su ayuda. Hermanas, hermanos y sacerdotes católicos de órdenes religiosas de edad avanzada laboraron durante muchos años con poco o ningún pago. Sus sacrificios ahora dejan a sus comunidades religiosas sin ahorros suficientes para su jubilación. Su donativo a la segunda colecta de hoy al Fondo para la Jubilación de Religiosos proporciona fondos vitales para medicamentos, enfermeros y más, para cientos de miles de religiosos ancianos. Sean generosos.

SECOND COLLECTION TODAY

Aging religious need your help. Senior Catholic sisters, brothers, and religious order priests ministered for years for little to no pay. Their sacrifices now leave their religious communities without adequate retirement savings. Your gift to today's second collection for the Retirement Fund for Religious helps to provide medications, nursing care, and more for tens of thousands of elderly religious. Please be generous.

"PUBLIC CHARGE" GROUND OF INADMISSIBILITY

There are a number of eligibility requirements (known as grounds of inadmissibility) that the federal government considers when determining whether to admit an individual into the United States or allow an immigrant to adjust status and become a lawful permanent resident or to receive a Green Card. One such factor is whether the individual is or is likely to become a "public charge." The Administration is proposing to drastically revise the public charge analysis by seeking to significantly expand the public benefits—and number of immigrants—considered in its public charge analysis. This proposal would undermine the unity and stability of family life and the dignity of persons, contrary to the fundamentals of our Catholic Faith.
