Dear Parents,

The books highlighted in orange are consumable books and must be purchased new. There are two local vendors that carry our school consumable textbooks. While you are free to choose where you purchase most of your books from, please read the special note below concerning the purchase of books with our new math series.

**New Math Series Adoption**
The Archdiocese has adopted a new math series for the upcoming school year. Students in grades K-5 will be using *My Math* published by McGraw Hill. Students in Grades 6-8 will be using *Glencoe Math*. All of these books, with the exception of Algebra, are consumable.

When a new series is adopted, the publisher has to verify the initial number of texts purchased. Based on the number of initial texts purchased, our school receives free resources, such as teacher editions and digital resources for the life of the adoption. In order to calculate the number of books actually purchased, the publisher must verify with the vendor the number of books sold for each school. **M & M Books is the only local vendor approved by McGraw Hill for the initial purchase of the math textbooks. Approved Vendors are a result of a decision made by the publisher.** This decision was not made at the Archdiocesan level. While you may find the math books available to purchase by other vendors, we are asking you to purchase the math book from the approved vendor. M & M books has an option on their website to only purchase the math text if you choose to do so.

Again, we want our school to receive the appropriate resources, and the publisher only verifies purchases through approved vendors. This process is just for the initial first year of the textbook adoption.

If you have any questions, please feel free to contact me, (251) 342-5474.

Thank you,

ALL PORTIONS OF THE REPORT MUST BE TYPED!!!!!!

YOUR Name ________________________________________________
Title of Book: ________________________________________________
Author: _______________________________________________________

PREDICT (LA.7.1.7.8): Based upon the title, pictures on the cover, and any writing on the book jacket, what is your prediction about this book?
__________________________________________________________________________

VOCABULARY (LA.7.1.6): List SIX words and their definitions that were new or challenging or interesting to you.
1 ________________________________________________________________
2 ________________________________________________________________
3 ________________________________________________________________
4 ________________________________________________________________
5 ________________________________________________________________
6 ________________________________________________________________

CHARACTERS (LA.7.2.1.2): Identify two characters from your book. For each character, list four traits that you would use to describe that character’s personality and/or character.

Character 1 ________________________________________________
Trait 1 _______________________________________________________
Trait 2 _______________________________________________________
Trait 3 _______________________________________________________
Trait 4 _______________________________________________________

Character 2 ________________________________________________
Trait 1 _______________________________________________________
Trait 2 _______________________________________________________
Trait 3 _______________________________________________________
Trait 4 _______________________________________________________

PLOT – CAUSE AND EFFECT (LA.7.1.7.4): Choose one major turning point in the book and describe the cause(s) and effect(s) surrounding it.

PLOT - CONFLICT (LA.7.2.1.2): Conflict happens in stories when characters interact with each other (man vs. man), themselves (man vs. self), and/or their environments (man vs. nature). Even though we sometimes think of conflict in terms of fighting, it can be any kind of struggle that helps make the story move in interesting ways. Think about your story or book and find the conflict. Identify the type of conflict (man vs. man, man vs. nature, or man vs. self) and explain how it is relevant to the plot.

CHAPTERS – MAIN IDEA (LA.7.1.7.3) Choose 2 interesting chapters from the book. Write a main idea for each of these chapters. Write the main ideas in sentence form below.

AUTHOR’S PURPOSE (LA.7.1.7.2) Sometimes authors have a specific purpose for writing. These reasons are sometimes called “Author’s Purpose.” After studying the examples of reasons below, see if you can tell one or two purposes for writing this book. Please add details.

Examples: to entertain, to amuse, to tell about, to show, to empathize, to describe, to persuade, to detail history, to reveal, to lift up, to educate (and many more)
What was your author’s purpose?
**THEME (LA.7.2.1)** Finding the theme of a book can be difficult because you must really read, comprehend, and be able to draw conclusions and generalize about the issues and struggles of life. A book may have more than one theme. Sometimes themes are expressed in short phrases, such as the horror of war, people’s mistreatment of others, love will find a way, the courage of the human spirit, persistence pays off, good versus evil, the coming of age in society, conquering tyranny, rising above our circumstances, the adventurous spirit of youth, giving up or taking control of oneself, etc. Remember theme is not a summary of the plot.

Write a paragraph about one of the themes of your book, and explain how that theme is represented in the book. Your paragraph should help the reader understand what the author is trying to say about human nature or life in general.

BYOD Information for 5th-8th Grades

The goal of the Bring Your Own Device initiative at Corpus Christi Catholic School is to provide our students with the technology to promote self-directed 21st Century learning through collaboration, communication, critical thinking, and creativity.

The following guidelines will outline approved devices and device management. All students who bring a device are bound by the Technology and Acceptable Use Policy of Corpus Christi Catholic School.

Approved Devices:

Due to equipment used in the school and network policies, the following devices are compatible with school equipment and approved for school use:

- Tablets
  - iPad 1, 2, 3, 4, and mini
  - Kindle Fire and Fire HD
  - Android Versions 2.3 and newer (Samsung Galaxy tablets, etc.)
- Laptops
  - Windows 7 or higher
  - Apple OSX or higher

**Devices must be at least 6 inches for school use.

Device Management:

- It is the responsibility of the student to maintain proper care of their devices. Any damage that may occur will not be the responsibility of Corpus Christi Catholic School.
- Devices must be charged at home before coming to school. The school is not responsible for charging devices.
- Students must already be familiar with their device before bringing it to school.
- Devices must remain powered off in the classroom unless otherwise directed by the teacher during acceptable use times.
- Corpus Christi Catholic School is not responsible for the purchase of paid applications for personal devices.
By participating in the BYOD Program, you are agreeing to, and are bound by, the Technology and Internet Acceptable Use Policies of CCCS and the Archdiocese of Mobile. All BYOD users are held responsible for their actions and activity within their devices, and must have a signed Acceptable Use Policy for the current year on file. All technology use at CCCS is viewed in the context of the moral and ethical teachings and policies of the Catholic Church, the Archdiocese of Mobile and Corpus Christi Catholic School and all users must follow the school’s Technology Use Policy when using any and all technology resources on campus.

All authorized use must be for educational purposes and be consistent with the mission statement, handbook, policies and procedures of CCCS. Unacceptable uses of any technology device can result in the suspension or revoking of access and privileges and the confiscation of the device. Students are responsible for any device brought on campus.

Key Points of This Policy

• Cell phones and Smart Watches are not permitted as part of the BYOD policy.
• When a student brings his/her own device to school, it is required that any Internet use is channeled through the CCCS filtered network. Students are not permitted to use private data plans or any other networks at school to access the Internet.
• The teacher in the classroom has the final say on procedures in that classroom (including specific directions left for any substitute teacher). If the teacher (or substitute teacher) asks a student not to use the device, then the student must follow those directions.
• Electronic posting of personal information about one’s self or others (i.e. addresses, phone numbers, and pictures) is expressly forbidden at school.
• In addition to following the CCCS Acceptable Use Policy, students are also expected to exhibit appropriate and safe digital citizenship skills.

Responsibility for Devices

• Students who bring their own device to school do so at their own risk. Neither the school nor the teacher may be held liable for loss, theft, or damage to personal property.
• Students are to keep their devices secure at all times and not loan them to others.
• Students may not use their own devices during instructional time unless approved by the classroom teacher.
• All devices and accessories must be clearly labeled with the student’s name.
• It is the responsibility of the student to bring any device to school charged.

Fundraising With Scrip

Corpus Christi School uses a fundraising program known as “SCRIP”. The program runs all year long (May 1, 2019 – April 30, 2020) and requires no door-to-door sales by children or parents. Scrip is just another way to pay for everyday purchases using gift cards in place of cash, checks, and credit cards. You purchase gift cards from our office or online at face value, and your coordinator orders those cards from Great Lakes Scrip Center at a reduced price. The difference is an instant rebate for Corpus Christi. It’s really that simple! When you use Scrip gift cards at your favorite retailers, you’re fundraising while you shop and there is NO ADDITIONAL COST. Great Lakes Scrip Center offers more than 700 of the country’s biggest retailers, including grocery, department stores, gas stations, restaurants, hotels, home improvement, and more. Corpus Christi has even recruited many additional local merchants to participate and are always looking to add more.

In addition to raising money for the school, you can benefit as well with our “profit-sharing” part of the program. After you earn $100 profit for the school, any further profit is split 50/50 between the school and YOU. Many families recruit grandparents, aunts and uncles to purchase Scrip for their families, therefore reaching their $100 goal sooner. Just by using Scrip to pay for your normal weekly purchases, some families earn over $1000 per year with the program and get to take home as much as $500 a year for themselves.

It’s time to put your shopping dollars to work! Scrip order forms are available at the Parish Office, the School Office, outside the Scrip Office and online at school.corpuschristiparish.com (for downloading only) and can be dropped off at any time. Our list reflects the most popular retailers available to us in this area, but a full list of Great Lakes Scrip retailers is available on ShopWithScrip.com.

Scrip can be ordered one of the following ways:
- bring your order to the Scrip office
- submit online with ShopWithScrip.com (CCS enrollment code BE6624DF4686)
- email to scrip@corpuschristiparish.com
- leave a phone message at 342-5474 ext 1204
- drop off at the parish office, daycare, or school office

Many orders can be filled with inventory from our office, but additional orders are usually placed once a week. During the summer, orders are placed on Tuesdays by noon and will be available for pick up in the Scrip Office Thursdays 12pm-1pm. If you cannot come to the Scrip office during that time, orders will be left at the Parish Office for pick up. The Parish Office is open Mondays-Thursdays 8am-5pm. Scrip will also be for sale throughout the summer after 9:00 mass. During the school year, orders are placed on Mondays by 10 am and delivered on Wednesdays. Box Tops can be fun but they are also very rewarding for the school. Those little pink box tops may not look like much but they are worth 10 cents. Who doesn’t like free money?!

That is exactly what box tops mean....FREE MONEY for the school. Think about this........
If EVERYONE one turned in just 10 box tops a month.... 10 box tops totals $1.00.
One dollar a month from 500 students and teachers equals $500 dollars for the school!!!!
Nine months of school with $500 in box tops each month means $4500 of free money.
That is a nice return for those little pink rectangles!
Be ready for some serious Box Tops contest and Fun.
Start collecting those box tops over the summer. Ask your family, friends and neighbors to save them for you and be ready when school starts in August!
Use the collection sheets for simply put them in a Ziploc bag, but be sure to put your name on the sheet or bag!
We need to know who submitted them because......

There will be class contest, chances for individual prizes and a teacher’s prize as well.
