Language Arts Book Order

The Archdiocese has made plans to adopt a new language arts/reading series for the upcoming school year. Students in grades K-5 will be using myView published by Pearson. Students in grades 6-8 will be using myPerspectives, which is also published by Pearson. The book is a consumable text and workbook combined. When a new series is adopted, the publisher must confirm the initial number of texts purchased. Based on the number of initial texts purchased, our school receives free teacher resources for the life of the adoption. All books for this initial adoption must be purchased directly through the school.

We certainly want our school to receive the appropriate resources. This process is just for the initial first year of the new adoption.

The cost of the language arts/reading books for all grade levels is \$30.00/each.
Payment is due Monday, August 10.

Please fill out the bottom portion of this form and return to school with payment:

Required Summer Reading projects

Entering 1st Grade

Students will read a book of their choosing. After reading the book, the student will complete a book report form. The form was sent home at the end of the school year and is posted on the school's website.

Entering 2nd Grade

Students entering second grade will read a book of their choosing. After reading the book, students will complete the mini book report form. Students will need to write complete sentences describing the setting (where and when the story takes place), and the plot (beginning, middle, and end of the story). Students must use crayons for the pictures. The book report form is on the school's website.

Entering 3rd Grade

Students will read a book (of their choosing) from the A to Z Mysteries series. After reading the book, the student will complete a book report form. The form was sent home at the end of the school year and is posted on the school's website.

Entering Fourth Grade

Students entering fourth grade will read Frindle by Andrew Clements this summer. A book jacket will be due the first day of school. The directions for the book jacket will be sent home at the end of the school year and posted on our website.

Entering Fifth Grade

Students must read The Tale of Despereaux by Kate DiCamillo. They will complete a (lap) book report. Specific directions are posted on our website. Book reports are due on the first day of school.

Middle School Reading Projects

6th Grade Summer Reading Project → “Wonder” by R. J. Palacio

Book Bags

Each student will begin the project by getting a plain gift bag or paper brown grocery bag.

They will then illustrate one side of the bag with a scene from the book.

The other side of the bag must contain a summary of the book similar to what you would see on the inside of a book jacket.

Inside the bag, students should place five items that represent something that happens in the book.

Each item should include one paragraph on a sheet of paper that explains the object’s meaning or role in the story.

Visit the following site for examples:

<http://teachersareterrific.com/2013/02/book-in-bag-project-great-alternative.html>

7th Grade Summer Reading Project → “A Wrinkle in Time”-Madeleine L’Engle

Matchbook Chapter Summaries

Each student will need on file folder. You will need white construction paper that is cut into 3.5 by 6 in. pieces.

After reading each chapter, each student will get a piece of matchbook paper. Fold the bottom tab up a ½ inch. Then fold down the top to the crease of the tab.

On the outside decorate the paper with scenes from the book. On the inside, write a summary of the chapter within the book. Lastly, you will glue the matchbooks into the folder where they fit well. Store the matchbooks in a Ziploc until you are ready to glue.

Finish the project by decorating the front with an illustration from the book.

For more information on the project and for examples visit:

<https://teacherthrive.com/2015/04/matchbook-chapter-summaries-for-novel.html>

8th Grade Summer Reading Project → “The Wednesday Wars”- Gary D. Schmidt

One Pager

Students will need a white piece of copy paper and colored pencils for this project.

The one page must include the following:

-Two quotes with explanations as to why the wording is important within the text

-a paragraph on a theme you noticed with the story

-a paragraph describing a symbol in the book and its larger meaning

After finishing the written work, illustrate the setting or a scene from the novel throughout the rest of the page. For an example visit: <https://www.thedaringenglishteacher.com/2018/05/assigning-one-pager-as-culminating.html>

BYOD Information for 5th-8th Grades

The goal of the Bring Your Own Device initiative at Corpus Christi Catholic School is to provide our students with the technology to promote self-directed 21st Century learning through collaboration, communication, critical thinking, and creativity.

The following guidelines will outline approved devices and device management. All students who bring a device are bound by the Technology and Acceptable Use Policy of Corpus Christi Catholic School.

Approved Devices:

Due to equipment used in the school and network policies, the following devices are compatible with school equipment and approved for school use:

Tablets

iPad 1, 2, 3, 4, and mini

Kindle Fire and Fire HD

Android Versions 2.3 and newer (Samsung Galaxy tablets, etc.)

Laptops

Windows 7 or higher

Apple OSX or higher

****Devices must be at least 6 inches for school use. Device Management:**

It is the responsibility of the student to maintain proper care of their devices. Any damage that may occur will not be the responsibility of Corpus Christi Catholic School.

Devices must be charged at home before coming to school. The school is not responsible for charging devices.

Students must already be familiar with their device before bringing it to school.

Devices must remain powered off in the classroom unless otherwise directed by the teacher during acceptable use times.

Corpus Christi Catholic School is not responsible for the purchase of paid applications for personal devices.

By participating in the BYOD Program, you are agreeing to, and are bound by, the Technology and Internet Acceptable Use Policies of CCCS and the Archdiocese of Mobile. All BYOD users are held responsible for their actions and activity within their devices, and must have a signed Acceptable Use Policy for the current year on file. All technology use at CCCS is viewed in the context of the moral and ethical teachings and policies of the Catholic Church, the Archdiocese of Mobile and Corpus Christi Catholic School and all users must follow the school's Technology Use Policy when using any and all technology resources on campus.

All authorized use must be for educational purposes and be consistent with the mission statement, handbook, policies and procedures of CCCS. Unacceptable uses of any technology device can result in the suspension or revoking of access and privileges and the confiscation of the device. Students are responsible for any device brought on campus.

Key Points of This Policy

Cell phones and Smart Watches are not permitted as part of the BYOD policy.

When a student brings his/her own device to school, it is required that any Internet use is channeled through the CCCS filtered network. Students are not permitted to use private data plans or any other networks at school to access the Internet.

The teacher in the classroom has the final say on procedures in that classroom (including specific directions left for any substitute teacher). If the teacher (or substitute teacher) asks a student not to use the device, then the student must follow those directions.

Electronic posting of personal information about one's self or others (i.e. addresses, phone numbers, and pictures) is expressly forbidden at school.

In addition to following the CCCS Acceptable Use Policy, students are also expected to exhibit appropriate and safe digital citizenship skills.

Responsibility for Devices

Students who bring their own device to school do so at their own risk. Neither the school nor the teacher may be held liable for loss, theft, or damage to personal property.

Students are to keep their devices secure at all times and not loan them to others.

Students may not use their own devices during instructional time unless approved by the classroom teacher.

All devices and accessories must be clearly labeled with the student's name.

It is the responsibility of the student to bring any device to school charged.

After School Care 2020-2021

Corpus Christi School is very pleased to offer an Extended Day Program for your after school child care. This program is offered every day school is in session and will operate from 2:50-5:45. After School Care (ASC) will only be provided on school days with a noon dismissal as staffing allows. The After School Care Program will provide supervised care in a nurturing environment. It is an extension of our school day and the rules and policies in our Parent-Student Handbook will be strictly enforced. Failure to follow school rules will result in the enforcement of the appropriate school discipline policy. Students who are consistently disruptive will be asked to leave the program.

Daily Schedule

K3 and K4 will always be in the daycare building or on the daycare playground

K5 2:50-3:00 Take roll in the classroom
 3:00-3:30 School playground
 3:30-5:00 K4 hallway in main school building
 5:00-5:45 Cougar Den

1st-8th 2:50-3:30 Students will do homework in assigned ASC classroom
 3:30-5:00 School playground
 5:00-5:45 Cougar Den

(The After School Care Program is not responsible if your child does not complete his/her homework. We only give the allowed time for them to do so and offer any assistance they ask for within the teachers' abilities.)

Parent Responsibilities

- A registration form must be completed and returned to the school office by August 1.
- Sign out sheets must be signed daily.
- If anyone other than those listed on the registration form will pick up your child we must receive written notice. A photo ID is required.
- Late fees will be applied to children not picked up on time.
- Any child that is going to be leaving ASC with a coach for practice MUST have a permission slip filled out, signed and turned into the school office. We do not allow them to leave otherwise.
- Sign up for the Remind app so you know what's going on!!!

Student Responsibilities

- All students must come straight to their ASC classrooms. No child should be left wandering the campus without supervision.
- All students are expected to follow the rules in the CCS Parent-Student Handbook.
- Students may not use cell phones or other electronic devices.

Fundraising With Scrip

Corpus Christi School uses a fundraising program known as “SCRIP”. The program runs all year long (May 1, 2020 – April 30, 2021) and requires no door-to-door sales by children or parents. Scrip is just another way to pay for everyday purchases using gift cards in place of cash, checks, and credit cards. You purchase gift cards from our office or online at face value, and your coordinator orders those cards from Great Lakes Scrip Center at a reduced price. The difference is an instant rebate for Corpus Christi. It’s really that simple! When you use Scrip gift cards at your favorite retailers, you’re fundraising while you shop and there is NO ADDITIONAL COST. Great Lakes Scrip Center offers more than 750 of the country’s largest retailers, including grocery, department stores, gas stations, restaurants, hotels, home improvement, and more. Corpus Christi has even recruited many additional local merchants to participate and are always looking to add more.

In addition to raising money for the school, you can benefit as well with our “profit-sharing” part of the program. After you earn \$100 profit for the school, any further profit is split 50/50 between the school and YOU. Many families recruit grandparents, aunts and uncles to purchase Scrip for their families, therefore reaching their \$100 goal sooner. Just by using Scrip to pay for your normal weekly purchases, some families earn over \$1000 per year with the program and get to take home as much as \$500 a year for themselves.

It’s time to put your shopping dollars to work! Scrip order forms are available at the Parish Office, the School Office, outside the Scrip Office and online at school.corpuschristiparish.com (for downloading only) and can be dropped off at any time. Our list reflects the most popular retailers available to us in this area, but a full list of Great Lakes Scrip retailers is available on ShopWithScrip.com.

- Scrip can be ordered one of the following ways:
- bring your order to the Scrip office
- submit online with ShopWithScrip.com (CCS enrollment code BE6624DF4686)
- email to scrip@CCSCatholic.com
- leave a phone message at 342-5474 ext 1204
- drop off at the parish office, daycare, or school office

Many orders can be filled with inventory from our office, but additional orders are usually placed once a week. During the summer, orders are placed on Tuesdays by noon and will be available for pick up in the Scrip Office Thursdays 12pm-1pm. If you cannot come to the Scrip office during that time, orders will be left at the Parish Office for pick up. The Parish Office is open Mondays-Thursdays 8am-5pm. Scrip will also be for sale throughout the summer after 9:00 mass. During the school year, orders are placed on Mondays by 10 am and delivered on Wednesdays. Orders may also be sent in through your child’s folder at any time and will be filled from inventory as soon as possible when available.

Please feel free to contact your Scrip Coordinator, Scarlett Moulder, in the Scrip office at 342-5474 ext. 1204 or email scrip@CCSCatholic.com for further information.

** Summer hours vary but orders can be placed at any time. Please contact the Scrip Coordinator to place an order.

Box Tops for Education

www.BTFE.com

Box Top\$ News

We raised a total of \$565.40 in box tops!

This year was a little more challenging for meeting our goal. With the school year going to remote online classes we didn't have the opportunity to get those pink box tops turned in. So this year can simply serve as a test run for future years when there will no longer be any pink box tops to clip.

However if you do have clipped pink box tops, I would love to get them! Remember some of them may expire as of June 1st. Those will not be any good when school starts in the fall. So please don't try to hold onto them for next year.

Thank you to EVERYONE who participated in the Box Tops program!

One dime at a time really adds up.

If you aren't using the box tops app.....PLEASE download it and just start scanning your receipts. You never know what products just may earn a submission! It is just as easy as the SHOPAROO app.

Let's see how much we can raise over the summer! Keep scanning those receipts and let those dimes and bonuses drop.

Please don't hesitate to contact me if you have any questions.
