ST. PATRICK'S CEMETERY ... Flowers may be planted in front of monuments, preferably protected by paving stones, not to exceed **15 inches** from the front of the monument foundation. (These paving stones can be placed in a straight or curved fashion, but must not exceed the 15 inches allowed). Perennials will be permitted on lots, but their height may not be more than 15 inches and they must be within the 15-inch boundary in front of the foundation. **As we have said in the past and continue to reiterate, artificial flowers may be placed on the monuments only and are not permitted in the ground. Artificial flowers are considered "on the monument" if they are in an appropriate (durable) pot that touches the monument or are of a size that can be placed on the monument foundation. Artificial flowers placed in the ground are an insurance liability and also a hazard for those moving and working in the cemetery. If they are placed in the ground, they will be removed.** Also, please do not place any glass containers on the lots as they may break and cause damage to cemetery equipment and personnel.

ST. JOSEPH'S CEMETERY ... Flowers, flags, etc. will be permitted on the ground only on Memorial Day and must be removed by the third day after the holiday. The rest of the year they will be permitted only on the monuments and out of the way for mowing of the grass. No permanent flowers are to be planted.
