Notes from the Pastor's Desk

COVID-19 PROTOCOL UPDATE FROM BISHOP LAVALLEY ... New York State announced that COVID-19 restrictions are lifted immediately because 70 percent of New Yorkers age 18 or older have received at least one vaccination. The State health guidance and guidelines, including social gathering limits, capacity restrictions, social distancing, cleaning and disinfection, wearing of face coverings for the vaccinated (including during the distribution of Holy Communion by the priest, deacon or Extraordinary Minister of the Eucharist), health screening and contact tracing, are lifted and are now optional. Unvaccinated individuals continue to be responsible for wearing masks under CDC directives. Additionally, health guidelines for large-scale indoor events (5000 persons or more), pre-k to Grade 12 schools, public transportation, homeless shelters, correctional facilities, nursing homes and health care settings remain in effect per CDC guidelines.

HEALTH AND OBLIGATION TO ATTEND MASS ... The general dispensation from the obligation to attend Sunday Mass has been lifted. However, the obligation to attend Sunday Mass does not apply to individuals who are sick, in a vulnerable category (elderly, long-term conditions such as cancer, diabetes, heart conditions, respiratory conditions, etc.), or those who continue to have significant anxiety or concerns about returning to Mass in person. The streaming of Sunday Eucharistic celebrations is being maintained for the benefit of those who are still not in a position to attend Mass in person.
