

HTCS Publicity Release 2020-2021

I hereby expressly grant to Holy Trinity Catholic School and Church and/or the Diocese of Belleville the right, privilege, and license to use my child's picture or likeness, artwork, or written or verbal expressions in any videos, photographs, slides, audio tapes, or any other visual or audio reproductions in which my child may appear, including student videos, web pages, social media, class or school projects for the promotion of the school, parish, and the Diocese including recruitment and fundraising efforts.

I hereby release the school, parish and the Diocese of Belleville from any liability connected with the use of any visual or audio formats as part of any promotion, recruitment or fundraising program.

Please note: HTCS will never use First and Last names with student photographs or videos in our publications (exception: Yearbooks which are internally distributed in hardcopy only.) First names with Last initial are very occasionally used with photos. Family last names are occasionally used in sibling photos.

Any questions, concerns, or requests for special conditions regarding this publicity release may be submitted to the main school office in a written request at any time.
