

Key Word Shuffle

First, write the definition for each *Key Word* on the blank squares below. Then use scissors to cut out all of the squares. Shuffle the squares in a pile. Turn the pile face down. With a partner, draw a square from the pile. Read aloud the writing on the square. If the square contains a *Key Word*, respond with the appropriate definition. If the square contains a definition, respond with the appropriate *Key Word*. Score a point for each square correctly answered.
