

## Summer Packets For PREP & HSPREP

Students are to complete the packet for the grade/level they attended during the 2020-2021 program year

All digital textbooks are still accessible until November 2021

All Summer Packets are due by August 1<sup>st</sup>, 2021

**For Grades K-6:** Each student will use their digital textbook to complete their summer packet of activities. From **each** Unit (1-4) they are to select 2 Partners in Faith (for a total of 8). These are Saints that are connected to each lesson. Students will need to watch the brief video and then complete the associated Partners in Faith activity. You may print out the activity sheet or complete them online (using the document tools in the PDF) and send them to the Office digitally.

**For Grades 7-8:** There is an PDF for each of the grade levels.

**For High School** – You are asked to pick one “road sign” from this year’s book and write about what it means to you. There is not specific format, but please write more than 3 sentences. Your writings can be submitted electronically or printed.
