

Dear Fifth Grade Parents,

June 2020

Welcome to the 5<sup>th</sup> grade! I am looking forward to working with your children and each of you.

For the summer, I am asking that the children read 2 books and be ready for an assessment on each. We will discuss each book in class during the first few weeks of school. We will also work on a few assignments and have a comprehension test.

The first book is Charlie and the Chocolate Factory, by Raold Dahl. The children will read this book and complete the attached assignment. In class we will discuss the book and then have a comprehension test.

The second book is Shiloh by Phillis Reynolds Naylor. The children will read this book and complete the attached assignment. In class we will discuss and have a comprehension test.

The children will also be asked to complete a math packet. Do the best you can! This is just for me to see what the children remember from fourth grade.

Have a wonderful summer!

See you in September!

## Charlie and the Chocolate Factory

Describe Charlie. How is he different from the other children that also found golden tickets?
