

## Lenten Service Activity

Since 1992, the Bread of Life Drive (BOLD) run by Notre Dame, has collected more than 1.3 million cans and boxes of food to help the needy -- people disadvantaged by age, health, injury, job circumstances, domestic abuse, abandonment, or other personal crises. Since the pandemic, the food pantries are in dyer need of our help.

St. Teresa-St. Rita STREAM Academy will participate with this great service to our community from Monday, March 1st through March 12<sup>th</sup>. Listed below are items that are in need. Please send in non-perishable items only. Remote families are welcome to participate. You can leave your donations at the main entrance on Victory Blvd in the box provided anytime Monday-Friday from 9am-2pm during the weeks of 3/1 and 3/8.

As with the Souper Bowl, boxes will be located at each entry door for your child to drop off your donation.

Pasta	Soup	Baby Food
