Dear St. Paul Families,

Many thanks to everyone that was able to attend Parent-Teacher Conferences. The teachers appreciated the time connecting with families and sharing information about the great strides your children have made during this academic year. In reviewing various schoolwide testing data from the beginning of the year to late-winter, it is evident that our students are quickly closing the gap on any potential loss of learning this past year due to distance and digital learning.

God has blessed us with some absolutely beautiful weather again. As we hopefully move into more of these type of days versus the rainy days, I just want to put a quick reminder out there about dress code. Please remember to check the length of shorts and skirts, as they should not be any higher than 3 inches above the knee cap. Thanks for your assistance in helping us implement a dress code that is clean, neat, and modest. For any questions regarding the dress code, you can refer to the website or the Student Directory.

Due to the surge of COVID cases in our county, we will be moving back into the "Extreme" risk level. In a letter from the Director of the Oregon Department of Education, Colt Gill, he stated that this "does not immediately impact the operations of schools," and we can

continue with current operations. We were again asked to communicate to our families the importance of wearing face coverings, keeping physical distancing, and limiting group gatherings. Again, thank you for your assistance in following these protocols.

Next week we begin the month of May. In our Church, we recognize this as the Month of Mary and pray the Rosary. Pope Francis is encouraging us to pray the Rosary throughout the month for an end to the COVID pandemic. For more information about this Prayer Initiative, you can visit <https://www.vaticannews.va/en/pope/news/2021-04/pope-francis-shrines-may-2021-prayer-end-pandemic.html>. Please join us in this important prayer throughout the month.

In Christ's Peace,
Kelli Braud
