

“Go and make disciples” Mt 28:19

The mission hasn't changed in 2000 years. The method has changed often.

You are invited to join me for a webinar to look at how Loyola Press can support you in responding to the different settings you may be facing this Fall in sharing his Good News. Whether you are looking at:

home based parent led with or without internet access,

distance learning through “zoom” type meetings,

modified on site

a combination of these,

We at Loyola Press can provide you the resources to continue the mission. We'll look at both core curriculum and sacrament preparation resources.

Please join me on

Friday, July 31st from 1-3 PM

Hope to see you then. Bonus points if you know why this is a special day for Loyola Press.
