## St. Peter's Parish Mission Statement

We are a Spirit-filled, caring and compassionate community of pilgrims under the patronage of St. Peter. United in Christ Jesus, we come together in the historic Church of St. Peter-in-Chains, Trenton of the Catholic Archdiocese of Kingston to celebrate our faith in Word and Sacrament. Drawing life from the Eucharist, we serve in charity and promote justice so all may share in the reconciliation, peace and hope of Christ. In this way, we strive to live the Good News of the Lord.

Please remember St. Peter-in-Chains Parish in your will. A gift to the Parish will help carry on the Lord's work you so generously supported during your life time.

There are three engineers in a car; an electrical engineer, a chemical engineer and a Microsoft engineer.

Suddenly the car just stops by the side of the road, and the three engineers look at each other wondering what could be wrong.

The electrical engineer suggests the electronics of the car be removed down to its parts and then try to trace where a fault might have occurred.

The chemical engineer, not knowing much about cars, suggests that maybe the fuel is becoming emulsified and getting blocked somewhere.

Then, the Microsoft engineer, not knowing much about anything, comes up with a suggestion, "Why don't we close all the windows, get out, get back in, open the windows again? Maybe it'll work?"
