St. Peter's Parish Mission Statement

We are a Spirit-filled, caring and compassionate community of pilgrims under the patronage of St. Peter. United in Christ Jesus, we come together in the historic Church of St. Peter-in-Chains, Trenton of the Catholic Archdiocese of Kingston to celebrate our faith in Word and Sacrament. Drawing life from the Eucharist, we serve in charity and promote justice so all may share in the reconciliation, peace and hope of Christ. In this way, we strive to live the Good News of the Lord.

Please remember St. Peter-in-Chains Parish in your will. A gift to the Parish will help carry on the Lord's work you so generously supported during your life time.

Rosary ~ The rosary will be prayed twenty-five minutes before each Mass during this month ~ a source of many wonderful blessings.

O God, when I have food, help me to remember the hungry. When I have work, help me to remember the jobless. When I have a home, help me to remember those who have no home at all. When I am without pain, help me to remember those who suffer. And remembering, help me to destroy my complacency, bestir my compassion, and be concerned enough to help, by word and deed, those who cry out for what we take for granted. Amen." — Samuel F. Pugh

Covid Update ~ We have recently been advised that churches are exempt from the new limits imposed by the provincial government with regards to social gatherings. We are however reminded that the use of face coverings are required, unless for medical reasons you are exempt. Physical distancing of 6 feet from others is also recommended. Please remember to leave your pew kneeler down upon exiting the church, so that those volunteers who sanitize the church after mass know where you have sat. You may bring your own missal or prayer book as long as you take it home with you. Holy Water fonts continue to be empty and not in use at this time. Please care for your own health. Anyone attending any liturgical celebration does so at their own risk. Thank you.

Heavenly Humour

A poultry farmer was experimenting to breed turkeys with more legs for greater profits. Finally, he succeeded. While narrating the results to his friends, he told them, “The turkey I bred had six legs!”

His friends who had become quite excited, eagerly asked, “What about the taste?”

The farmer said with a long-drawn face, “Not sure yet. The problem is that I haven’t been able to catch it?”
