August 22, 2021 revised October 29, 2021

Supporting, empowering, and educating members in spirituality, leadership and service; reaching out with Gospel values to meet the needs of Church and society.

“Before I formed you in the womb I knew you, and before you were born I consecrated you; I appointed you a prophet to the nations.” Jeremiah 1:5

NUDCCW voted to promote wonderful prolife organizations for the 2021-2022 Service Projects. These service projects are such a great way for us to show how special the gift of life truly is. God Bless every child conceived and every family made!

The first is our local crisis pregnancy centers. This year we would like our CCW groups to focus their efforts on supporting the local crisis pregnancy center in their area. These centers are doing a wonderful job of providing education to women in crisis and helping them choose life. They provide support for moms in many forms. Many centers provide counseling for expecting moms to help them decide if they can support their new child or if adoption would be a better option. They guide mothers on how to best support themselves and put those mothers on the best path possible for their children. These centers are so important to our communities and have such a kind way of offering mothers choices that will affect the rest of their lives. If you would like to know where the nearest crisis pregnancy center is to your local CCW please visit: <https://www.mccl.org/pregnant> (**PLEASE NOTE THIS CHANGE IN WEBSITE**)

As always, NUDCCW also promotes organizations that are helping people internationally. This year we have chosen to promote Holt International. Holt International is an agency that helps children throughout the world have the best home life possible. They strengthen vulnerable families through their sponsorship program and provide homes for children who would otherwise have been orphaned. The sponsorship program allows us to help a child in need. Money sent goes toward the sponsored child’s need for food, shelter, medical care and education.

Holt international is also an adoption agency. This agency has been involved in helping with adoption for over 60 years. They provide families options of adopting domestically and internationally. Holt works with parents to create the best possible experience for both them and their adoptive children. Holt international provides referral services, counseling services, and parent coaching for any family looking to adopt through their agency. Holt’s website contains more information on adoption and sponsorship. Visit [Holt International: Adoption Agency and Child Sponsorship](https://www.holtinternational.org) or www.holtinternational.org.
