

March 14, 2020

Dear FSCS Families,

In an effort to do what we can to minimize the spread of COVID-19, especially to the most vulnerable among us, the Catholic Schools Office, with approval from Bishop Taylor, has decided to close all the Catholic schools beginning March 16th until March 30, 2020. In response to COVID-19, we are trying to be proactive rather than reactive. Accordingly, certain measures must be put in place and the closure of school will be one of these actions.

We will be implementing AMI (Alternative Method of Instruction/Cyber Days) all next week. We will still observe Spring Break and no instruction will take place March 23-27, 2020. We will not be conducting face to face parent teacher conferences next week, but your child's teacher will be contacting you to do the conferences by phone or by email in the coming days.

We will be at the school from 9:00 a.m. to 2:00 p.m. on Monday, March 16, 2020 for you to come by and pick up any items your student will need during the closure. If you are unable to come during this time, please contact your principal to schedule a time that works for you. All teachers will be available during regular school hours by email to help your student or you with any questions you may have.

If you have questions or concerns, please contact us by email any time.

These are unprecedented times and we ask your family to pray for God's guidance and healing. Our love and commitment to our Catholic school community is why we are choosing to move to distance learning.
