Dear Friends:

1 Peter 4:10 "God has given each of you some special abilities: be sure to use them to help each other, passing on to others God's many kinds of blessings."

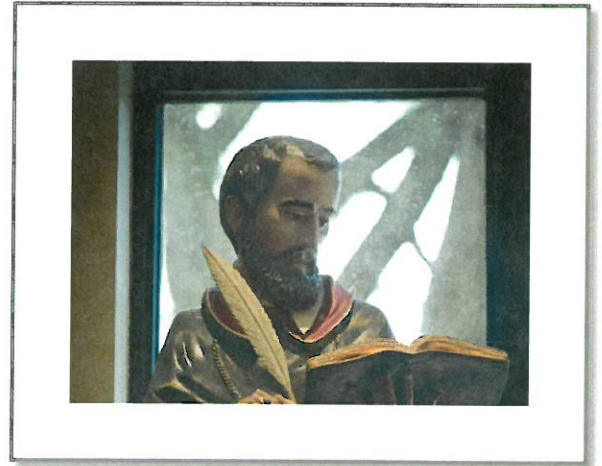

Are you someone who doesn't recognize your gifts or talents?

The best way to discover them is by getting involved in different areas of service until you find the ministry that suits you. Keep in the mind the greatest gift you possess is giving of yourself to others.

We have so much unrealized potential at St. Francis de Sales. Our desire is to identify and tap into our parishioners talents.

We want to help you discover how you can share your gifts without over-committing. This gathered information will provide a way for us to personally invite you to get involved with your parish and community. Would you give this survey your prayerful consideration as you assess your own time and talent?
