

Helping Hearts for Hungry Kids Update

THANK
YOU!

Our hearts are overflowing with gratitude as we announce that we crushed our Lenten project goal of 2,500 meals for Hilltop's Kidreach program.

Because of your wonderful giving spirit, 4,144 meals will be provided to children right here in our neighborhood from the \$20,723.38 that was raised!

The Hilltop staff is mind blown at the consistent generosity from St. Teresa's. They feel truly blessed by the love and support of our community and how working together we can make a difference! This will allow them to continue to grow their program and reach more children with the goal of making sure no child goes without a meal.

Pictured here are some of the families with the frozen meals that are sponsored by St. Teresa's and prepared by the Valparaiso Community Schools Food Service Program.

Hilltop and the families are beyond grateful for YOU and with all of their hearts say, "Thank You"!
