Catechism of the Church

- What does it mean to be made in His image
 - 41
- Structure of the Universe shows us God's beauty and all He creates
 - 341

Made in His image

- Ever written or created something you were proud of that you put a lot of yourself in
- You could look at it and know the joy you were feeling when you made it
- The beauty, intelligence, and goodness of God is in each of us (Gen 5:1-3)
- God has such pride in us and loves us beyond our understanding

Beauty of Us

- When we assault a human either physically or verbally, we are assaulting the creator because we are image bearers
- Our need and desire for relationships and love is also from God and in His image
- Inherent dignity
- The more you reflect on this the more you will know and feel your own self worth and dignity and that in others
- When you know you have value and have something important to give you will feel more confidence in your calling

The death and pain of
Christ is the most
beautiful moment of
human history
