Celebrating Over 70 Years in Education

January 11, 2021

Dear Parents,

Attached are the new tuition rates for the 2021/2022 school year as well as the various fees that are dictated by the Archdiocese to be assessed for each student.

This tuition increase was not made without a great deal of thought and consideration. Many of the school's expenses are beyond our control, similar to your household expenses - utilities, health insurance, paper products, books, software, etc. While we regret that an increase was necessary to meet expenses, we want to inform you that St. Christopher's tuition still remains in the mid quartile of East Jefferson schools. The cost of your child's education is significantly less than the cost of a babysitter!

All tuition will either be paid in full by June 4 or will be financed. More information regarding the financing process will be sent home at a later date.

As dictated by Father Raymond, "the minimum contribution for families to qualify for school financial support for the 2021/2022 School Year (2020 calendar year church contributions) was \$400 per child or \$600 per family. Anyone who feels that they should be considered for school financial support but are unable to meet these minimum levels are invited to speak with me (Fr. Raymond) personally."

The registration fee for the youngest will be \$165.00 (EEC-7th); older siblings' fee is \$150.00 each. The registration fee for the Annex is \$300 per child. Registration for students presently attending St. Christopher will be held January 25-27. At this time new brothers and sisters can be registered as well. During registration, please call the office to request the number of forms needed for brothers/sisters.

Sincerely,

St. Christopher Advisory Board
