

WHAT TO EXPECT AS WE LOOK FORWARD TO REOPENING OF OUR PARISH

- 1.** The health and safety of our parishioners is important to us. We pray for good health and protection for all.
- 2.** We will continue to offer the live-streaming of Masses on Sundays.
- 3.** General dispensation from the Sunday obligation will remain until we hear otherwise from the Bishop (which means that our elderly and the sick are encouraged to stay at home and participate in the Mass through live-streaming.)
- 4.** Face masks are mandated for all who come to church (from age 2.)
- 5.** Social distancing of 6 feet (except among family / household units) will be kept in and around the church.
- 6.** Hand sanitizers will be made available at the entrances of the church.
- 7.** Pews, including tops, seats and kneelers, will be sanitized after every Mass.
