

CHOOSING A CONFIRMATION NAME

DUE BY: _____

CANDIDATE NAME: _____

Your confirmation name will reflect your desire to grow in your relationship with God and to use the power of the Holy Spirit to be a disciple of Jesus and a witness to his Good News.

The name you choose must be the name of a saint or a derivative of a saint's name, or a biblical name such as Joshua or Deborah, but must be a **heroic/positive person** of the bible - not Judas, Herod, or Jezebel.

List one/several names that you might choose as a Confirmation name:

Why would you choose each name? (For example, is there someone you admire associated with the name? Do you like the meaning behind the name? Is the saint or a hero of that same name a favorite of yours?)

Research the name of the saints or biblical figures which you think you may consider for a confirmation name. After considering the information, please choose a name and indicate what you learned about the saint or biblical figure that really captured your interest? This can be typed or written on the back of this page. (Answers should include facts about the saint or biblical figure and specific information about what they did and why you can relate to them or why you admire them)

Which name is the most meaningful for you in light of your relationship with God and in your quest for the Spirit? (This is the name you will use for your Confirmation name.)
