FACULTY

75% of our faculty hold a Master's Degree
15:1 student/faculty ratio

TUITION/FINANCIAL AID/SCHOLARSHIP

Academy Tuition is \$5200/year
Need-based financial aid and scholarship is available for those students who qualify.

CHILD NUTRITION PROGRAM

Free breakfast and lunch is provided for all students.

ACADEMICS

Students take a robust technology enriched curriculum daily including but not limited to:

English Language Arts	Science
Math	Spanish
Religion	Music/Art
Social Studies	PE

STREAM (Science, Technology, Religion, Engineering, Art, Math)

FAITH

Students have daily Religion, weekly Liturgy and sacramental preparation. In addition, the Pastor and the Sisters of the Incarnate Word play an integral role in the faith formation of the students.

BLENDED LEARNING

Through differentiated instructions and individual learning plans, each student at the Academy receives personalized learning that allows every child to reach his/her full potential.

SCIENCE & STREAM PROGRAM

Project-based learning, robotics, 3-d printing and a robust science lab provides real work application to enhance student understanding.

STAR READING PROGRAM

Provides each student with their reading level and the supports needed to guide each student toward a love for reading and literature.

ACADEMIC LEARNING CENTER

At the Academy, students who learn differently will receive support services so that they can access the rigorous curriculum. These services include:

- Speech and Language
- English as a New Language (ENL)
- Reading and Writing
- Math
- Study Skills

TECHNOLOGY

All students use Chromebooks daily to support learning. A one:one laptop program exists in Middle School.

MANHATTAN PLUS

The Academy will offer a unique summer academic experience both at school and via distance learning. This will be an individualized approach to summer academic work.

HIGH SCHOOL PLACEMENT

Advisors guide students through the high school admissions process.

PLAY in the ACADEMY

Through play, students develop the soft-skills of communication, collaboration, negotiation, and problem-solving. At the Academy, students are offered ample opportunities to play during the school day and during extracurricular activities.

ART/MUSIC/ORCHESTRA

Partnership with Education for Music
Students learn to play violin, viola, bass, cello
Winter/Spring Concerts and a Spring Musical

ATHLETICS

Fall – Lacrosse, Soccer
Winter – Basketball
Spring – Track

CLUBS AND ACTIVITIES

National Junior Honor Society
