Greetings from Saint Mary Catholic School,

At Saint Mary Catholic School, we invite you and your family to witness the difference that our Catholic School education can offer your family.

Do you have dreams for your children? Do you want them to aspire to be the best that they can be?

- To be academically successful
- To build confidence
- To delve into the world of Performing and Fine Arts
- To become an independent, critical thinker
- To prepare to be adaptable for the future ever-changing job market
- To grow spiritually, develop healthy habits and a value system that will stay with them for a lifetime

Our Christ-centered learning community offers students this and more. At Saint Mary Catholic School we care, believe in and put into action our motto: ***Learning Today, Leading Tomorrow.***

Saint Mary Catholic School highlights:

- Students achieve academic excellence through challenging curriculum guided by experienced faculty
- Saint Mary Catholic School has achieved a total score, 26.3 points above the national average in the Terra Nova tests
- Academic scholarships including the distinguished Neumann Scholarship are awarded consistently to our students
- Students achieve set goals and reach their potential with help from our Learning Support program
- Spanish and ecclesial Latin are included in our Kindergarten through grade 8 curriculum
- Confidence is developed in our Performing Arts and Music program by all students performing at various events
- Creativity is explored in our Fine Arts Program by using various mediums (including ceramics fired in our kiln)
- Independent and critical thinking skills challenge students individually and in group settings in our Media Arts program
- Students explore their own interests in a Maker Space classroom, becoming divergent thinkers and problem solvers
- We provide a balanced academic curriculum that integrates faith, culture and life
- Saint Mary Catholic School recognizes the need to adapt to an ever-changing world, constantly updating educational strategies, technology and infusing our curriculum to offer tools that will help students maximize their potential

Saint Mary Catholic School is accredited by the Middle States Association and is a parish elementary school in the Archdiocese of Philadelphia with a pre-school division and full day Kindergarten program up to grade 8. At graduation, the expectation is for our students to be well prepared for high school and life; to be kind, generous, lifelong learners, rooted in faith and ready to be the leaders of tomorrow. In fact, they are our future.
