

Dear Families,

Reading over the summer months is important to your child's learning. It is suggested that your child read at least 15 mins a day. Below are some recommended authors that usually interest second grade students. Pictures books and chapter books are appropriate choices.

Authors:

Eric Carle

Lois Elhert

David Alder

Dr. Suess

Tomie dePaola

Marc Brown

Joy Cowley

Abby Klein

Cynthia Rylant

Jan Brett

Suzy Kline

Mary Pope Osbourne

Kevin Henkes

Barbara Park

James Marshall

Laura Numeroff

Paulette Bourgeois

Peggy Parish

These suggestions are only a few great authors. There are many more great books at the books stores and on the shelves of the library.

We are asking that over the summer, incoming second graders read two books of their choice. From those two books, pick one book to use to complete the Flower Book Report. Please turn in the completed report the first week of school.

Make reading fun this summer! Find books that your child is interested in. Feel free to read with your child. It is important that children read but also hear fluent reading. Let your child see you enjoy reading, too!

In addition, please make sure your child knows the addition and subtraction facts. Stress identifying coins and their value. Review them frequently so your child feels confident.

May God bless you this summer!

FLOWER BOOK REPORT

After you read a book, fill out this book report. Write the title of the book on the stem and the author's name inside the flower. On each petal write about the story. On the leaf write other stories you read this summer. Put your flower together.
