Feast of Corpus Christi– June 3rd

"Then he took a cup, gave thanks, and gave it to them and they all drank from it. –Mark 14:23

Jesus, the perfect steward, gave thanks, just before He gave Himself to us completely for our salvation. He offers us the chance to drink from His cup. In the Eucharist, we meet Christ personally and, if we listen to Him, we know what drinking from His cup means our own sacrifice—giving up some of our time, talent and treasure to do His work on earth.

Father's Day collection for support of our retired priests --weekend of the 16th and 17th of June. This collection is very important in that it provides for the health insurance, Medicare and unreimbursed medical and dental expenses for our retired priests. Priests in the Diocese of Crookston may not retire until they are 70 years old (unless their health dictates a rest) and many continue to serve as weekend substitutes, long term substitutes, spiritual directors, chaplains and participants in reconciliation services long after they officially retire.

Msgr. Mike Patnode, who most recently served as Pastor of St. Francis de Sales Parish in Moorhead is featured on the back cover of the May 16th issue of the OND. He speaks from the heart about his first year of retirement. Enjoy the article and please give generously to the Father's Day Collection!

Devotion to the Sacred Heart began about the year 1672. On repeated occasions, Jesus appeared to Saint Margaret Mary Alacoque and during these apparitions He explained to her the devotion to His

Sacred Heart as He wanted people to practice it. He asked to be honored in the symbol of His Heart of flesh; he asked for acts of reparation, for frequent Communion, Communion on the First Friday of the month, and the keeping of the Holy Hour.

There are two things that must always be found together in the devotion to the Sacred Heart: Christ's Heart of flesh and Christ's love for us. True devotion to the Sacred Heart means devotion to the Divine Heart of Christ insofar as His Heart represents and recalls His love for us.

In honoring the Heart of Christ, our homage lingers on the Person of Jesus in the fullness of His love. This love of Christ for us was the moving force of all he did and suffered for us - in Nazareth, on the Cross, in giving Himself in the Blessed Sacrament, in His teaching and healing, in His praying and working. When we speak of the Sacred Heart, we mean Jesus showing us His Heart, Jesus all love for us and all lovable.

The Word Among Us To keep the subscription costs down we order the books in bulk. This allows us to order each book at the cost of **\$1 per book**. We ask that you offer your donation to the collection basket or give it to the parish office. These books are available at the church entrance.

FLOWERS FOR THE ALTAR - Roseau

This summer we are looking for a change. We would like to see flowers for the altar donated by you.

You can use flowers from your garden, your neighbors garden, wild flowers or flowers that you have purchased.

All flowers will be accepted. Bring them to the church on any Saturday morning and place them on a stand on the altar or in front of one of the statues. It doesn't make any difference how many people donate on a weekend.

Vases for your flowers can be found in the usher's room in the back of the church.

Let us, as a parish family, keep our altar graced with beautiful flowers all summer. Thank you, Maggie

Welcome to Anders Lee Horntvedt (infant son of Kyle and Erin Horntvedt) baptized this weekend at Sacred Heart Church into Christ and into His family the Church! We pledge him and his parents our prayers, support and example of faith.

Capital Campaign Update

A quarterly report will be sent out in June to all parishioners regarding their pledges. Along with this there will be an update on the financing and pledging needed to cover the loan that will be required to cover the second half or less of the building project. A lot will depend on the bids that we receive and on when the contractor can begin the project.

Otherwise, we are in a very good position with the funds and pledges that have been coming in. We have raised **\$682,037.00** which is a little more than the half cash needed to do the base project (est.: \$1,350,000). Our goal now is to reach at least \$704,000 in cash on hand which will be half of the full project (est.: \$1,408,000) w/o the paving of the parking lot.. -- Fr. John and Capital Campaign

Building Renovation Team Update

There are up to five contractors that are expected to turn in their bids this Wed. June 6 in them for the bid opening at 11:00 AM. Please continue praying that there will be good bids submitted and that they will be at or below the estimated cost.
