

GROW IN YOUR FAITH

Frazzled but Faithful: Parenting through Pandemic and after --- **June 17th 1pm** Recent events have challenged our faith and family life in ways no one could have predicted. What can families do to draw closer to God and each other, not just in spite of everything, but because of it? In this upcoming webinar, Dr. Greg Popcak and his wife, Lisa, will join RENEW's Sr. Terry Rickard to explore practical ways your family can experience a more joyful, peaceful, and grace-filled home life even through difficult times.

Join Sr. Terry for a one-hour interview of the Popcaks. They are the founders of Catholic-Counselors.com an organization providing Catholic-integrated tele-counseling services to individuals, couples, and families around the world. The authors of over 20 books integrating cutting-edge insights from counseling psychology with the timeless wisdom of our Catholic faith, they are the hosts of More2Life, a call-in radio advice program. They also serve as the co-directors of the Peyton Institute for Domestic Church life, which seeks to promote family spirituality and well-being through original research, professional trainings, and resource development.

Bread for Others

I am the living bread that came down from heaven. Whoever eats of this bread will live forever; and the bread that I will give for the life of the world is my flesh. (John 6:51)

- **Adults:** What does it mean for you right now to be bread for others as Jesus was?
- **Kids:** In what ways can Jesus' presence in the Eucharist help you do good things for others?

Parents please see: The Eucharist for Little Children at Formed.org. Your children will begin to understand the Real Presence of our Lord in the Eucharist. They will encounter Jesus in the solemnity of the Mass, the quiet of adoration, and the splendor of a Corpus Christi Procession. Your children will also experience the Lord through the traditional beauty of the Church, inspiring music, and the vibrant spirit of our host Jennifer Naimo. She brings her Broadway talent to a new dimension in this ministry to little children.

Next Weekend we will have our **Annual Father's Day Collection for Retired Priests.** Our retired priests, including Bishop Emeritus Victor Balke, say many hundreds of Masses for our diocese each year. They substitute for our active priests. Many retired priests (health permitting) continue to serve for years after their official retirement, typically at age 70. Your gift to the Father's Day Collection pays for the health insurance premiums and medical expenses of our priests in their retirement. Please be generous once again to the Father's Day Collection.

ONLINE GIVING now available! Easily tithe with online donations and no longer worry about envelopes. Visit www.roseaucatholic.org/onlinegiving.

Reflection on Readings for Next Sunday

June 21st—12th Sunday of OT

Jesus was very clear about the cost of discipleship. It might entail family division, persecution, and even death. He didn't mince words when he talked about the hardships his followers would face. And yet, at the same time he says, "Do not be afraid." Isn't this a bit of a contradiction? Does it seem odd that Jesus warns us about future difficulties but then tells us not to worry?

Capital Campaign / Building Project Update

- We are still at **\$5,678 pledged or 106%** of the amount needed for our monthly payment of **\$5,335**. 77 households (43%) have made pledges.
- Have you made your pledge or contribution? If unable to make a financial contribution then let us know if you are available to help with smaller work projects to finish our building project. Our original church building was put up with much labor from the parishioners.
- The parking lot is unfinished due to lack of funds.
- **Let us all help to carry the load** of funds needed for the completion of this beautiful and needed renovation and addition. We are thankful for those making extra gifts when they can.
- **Note:** The **\$10,000 Loan Pledge Challenge deadline** has been extended to the **fall supper**. We need only \$320 more in monthly pledges and 31 additional households contributing to meet the challenge.
- The south stairway railing and the speakers for the gathering space and family room are in or soon will be. Also landscaping is being planned and carried out step by step.
- Continue to pray for the successful completion of the project and worker safety. -- Fr. John
