The Rev. John Rebel
In 2009 the parents of a man who had died in 2007 told diocesan officials that about a year before his death, their son had told them that in the 1970s, when he was 10-12 years old, Father Rebel had sexually abused him. Because the allegation was second hand, there were few details. Father Rebel denied the allegation. The parents were offered an opportunity to speak to the Independent Review Board, but declined. Due to the lack of evidence, Father Rebel remained in ministry until his retirement in 2010. He died in 2013.
