CATHOLIC YOUTH MINISTRY SPORTS
Catholic Youth Ministry (CYM) Sports is a program of the Department for Family, Youth, and Catholic School Ministries under the Secretariat for Leadership Development and Evangelization within the Roman Catholic Diocese of Pittsburgh. This handbook provides for the operation of the CYM Sports, which assumes responsibility for enforcing compliance only in those leagues that it directly organizes and coordinates. CYM Sports identifies a parish activity controlled and supervised on the parish level by the pastor.

PURPOSE AND MISSION
CYM Sports seeks to gather young people for athletic competition so that Gospel values may be witnessed. The mission of CYM Sports is to evangelize through athletics. In other words, we seek to promote Gospel values through sports. It invites parishes to make the most of the opportunities athletic competition provides for ministry to, for, with, and by youth. When doing so, CYM Sports keeps youth connected with the Church and helps them see the Eucharist being lived out in the lives of adults. Both young people and adults are challenged not to compete for the sake of winning, but for the sake of participating. Christ-like behavior, conduct, spirit, attitude and language are expected at all times from the coaches, players, officials, and spectators.

Our mission is to provide resources and support to youth ministry programs in their efforts to bring alive the three goals of comprehensive youth ministry:

1. “To empower young people to live as disciples of Jesus Christ in our world today.

2. To draw young people to responsible participation in the life, mission, and work of the Catholic faith community.

3. To foster the total personal and spiritual growth of each young person.”¹

Article I.  Eligibility for Participation

Section 1.01  Team Eligibility

(a) Teams wishing to enter CYM Sports must inquire with the Director for Adolescence Ministry, fulfill all registration requirements, and attend all mandatory meetings.

(b) To be eligible to apply for team status, teams must be affiliated with and represent a Catholic parish within the boundaries of the Diocese of Pittsburgh.

(i) Each parish that has a CYM Sports team (basketball or softball) must appoint a CYM Sports Contact Person that is approved by the Director for Adolescence Ministry, by September 1/February 1 of each year. Ideally this would be the parish Youth Minister or another member of the professional staff.

(ii) The CYM Sports Contact Person shall attend the annual pre-season meeting concerning their duties and responsibilities.

(iii) The responsibilities of the CYM Sports Contact Person are: good knowledge of the General Guidelines for the CYM Sports Program of the Diocese of Pittsburgh, attendance at most – if not all – home games, investigation and reporting of all incidents that occur involving that parish’s team at both home and away games, notification to players and coaches of suspensions and penalties, responsibility for the spirituality of the team(s).

(c) Once a team is approved, the CYM Sports Coordinator will arrange a meeting with appropriate parish representatives to review the CYM Sports Program Guidelines, and to assist in whatever way possible.

(d) Team sponsorship

(i) Team sponsorship is permitted. Parishes must be careful in not soliciting sponsorship from organizations that are inappropriate for youth activities (e.g. bars). Sponsors must be pre-approved by the Pastor/Administrator and/or CYM Sports Contact Person on an annual basis.

(ii) Recognizing sponsors on the team t-shirt/jersey is permitted. The name of the parish must be placed on the front of the shirt and the sponsor name or insignia on the back or sleeve. The sponsor data must not be larger than ½ the size of the parish data in print type or area (if it is a logo).

(e) Two (2) adult coaches, over the age of 21, in good standing, with the CYM Sports Board (i.e. not under suspension or disciplinary action) must accompany the team during practices and competitions.

(f) The Pastor/Administrator of the parish is ultimately responsible for all actions of the teams that represent his parish. It necessarily follows that all Contact Persons,
coaches, players, parents, and spectators are accountable to the Pastor/Administrator.

(g) The following items are needed, from every team prior to December 1 (Basketball) or May 1 (Softball) in order for a team to be approved and participate in the league.

(i) Form A/properly completed sections on team eligibility, coaches’ eligibility, team registration, and safe environments policy verification.

1) Adults (18 or older) who are subject to the safe environment policy must:
   a) Complete online database application (to track compliance with the national charter),
   b) Acknowledge that they will adhere to the standards of behavior contained in the Code of Pastoral Conduct,
   c) Complete the Pennsylvania State Police Criminal Record Check,
   d) Complete the Department of Public Welfare Child Abuse History,
   e) Take Protecting God’s Children training, and
   f) Mandated Reporter Training Sessions

(ii) Form B/properly completed for each and every eligible player.

(iii) Form C/properly completed for each and every eligible player.

1) The Form C/“Athletic Release” form is required for the following reasons:
   a) It provides permission for the youth to participate.
   b) It expresses the intention of the parish to provide adequate and responsible supervision.
   c) It provides important information regarding where parent(s) can be reached during games.
   d) It provides important information regarding medical insurance coverage.
   e) It provides the parent’s permission to obtain medical assistance in the event that the parent cannot be contacted.

(h) Teams not submitting the above items mentioned above in sub-section “g” by the required deadlines will be immediately ineligible. NO EXCEPTIONS WILL BE MADE. The issues of liability and accountability are too important to be taken lightly.
(i) A team may have unlimited players on their roster. Rosters may not be changed or altered past the date they are due.

(j) The official roster for each team will be kept on file and is available for review upon request.

Section 1.02 Coaches Eligibility

(i) Vision: “The volunteer coach for a parish sports program is a mature Christian person who works toward the integration of sports into the parish youth ministry program. He/she coordinates and is responsible for providing a Catholic Christian environment to practice for and participate in diocesan sponsored sports events. The coach helps promote personal growth and Christian sportsmanship in the individual youth he/she coaches and provides opportunity to share Christian community through greater participation in the parish life.”

(ii) Responsibilities and Tasks – The volunteer coach:

1) Attend the coach clinic and must renew his/her accreditation by attending the annual pre-season meeting.

   a) Assistant coaches are welcome and encouraged to attend, but are not required.

(b) Coaching is a noble task. We view sports as youth ministry and the coach as youth minister. Therefore, the following requirements are required and must be verified for all adults prior to coaching a CYM Sports team:

   (i) Coach Clinic

   (ii) Compliance with Diocesan Safe Environments Policy:

      a) Complete online database application (to track compliance with the national charter),

3) Post-season Meeting (if eligible)

(iv) Teams who fail to attend these meetings will be declared ineligible for post-season play.

(c) The Head Coach is accountable to the Pastor/Administrator, Contact Person and/or Youth Minister since he/she is representing the parish in the forum of CYM Sports.

(d) The Head Coach is to oversee the actions of the assisting coaches on their team to insure that they act within the purpose and mission of CYM Sports.

(e) A coach must be at least 21 years of age. No one under that age may be considered a coach in any capacity, including scorekeeper. All bench and practice personnel must be in full compliance with the Diocesan Safe Environments Policy before they are given any formal responsibility and are permitted to be at practice or on the bench.

(f) Finances

(i) It is the responsibility of the Head Coach by virtue of his/her position to be accountable to the Pastor/Administrator, Contact Person, and/or Youth Minister in all financial matters dealing with CYM Sports. The financial policies established by the Diocese of Pittsburgh require the Pastor/Administrator to oversee all accounts dealing with parish organizations as well as having his name on all accounts.

(g) Parishes may add additional requirements to those listed above.

Section 1.03 Individual Eligibility

(a) Any youth whose residence is within the boundaries of the Catholic Diocese of Pittsburgh is welcome and encouraged to participate in CYM Sports.
(b) Catholic youth must play for the parish to which they and their family are registered if their parish sponsors a team.

(c) If the local parish does not sponsor a team, both the Catholic and non-Catholic youth must play for the parish with a CYM team that is the closest to the parish of the youth. The coach must notify in writing/e-mail the CYM Sports Board for their approval.

(d) A non-Catholic youth must play for the Catholic parish within whose geographical boundaries his/her family resides if that parish sponsors a team. The coach must notify in writing/e-mail the CYM Sports Board for their approval.

(g) A person who is legally rostered for one team may not play for another team during the same season of that particular sport.

(h) A person who plays for a CYM Sports team in their area because their parish does not have a team must play for the same team the following year unless the family parish membership has changed subject to section “i” below.

(i) If the home parish of a player who has played a season for another team in their area begins to sponsor a team, then the player involved may elect to play for either the new team of their parish or the team for which they previously played. The player’s choice is final for his/her remaining eligibility.

(j) Any team using (an) ineligible player(s) will forfeit all games in which the individual(s) participated. To have “participated” means that their name appears in the scorebook for that game.

(k) All legally rostered players will be ruled eligible after the halfway point of the season (determined by the respective CYM Sports Program Coordinator prior to the start of the season) if there was no written protest against the player.

(l) In order to be legally rostered, all players must complete Form C/Athletic Release, and, with their parents/guardians, sign the Athlete’s Pledge.

(m) Parishes may add additional requirements to those listed above.

(ix) If the season ends before completion of the penalty it will carry over into the next season for that CYM Sports Program sport.

1) A quorum will consist of four (4) members of the CYM Sports Board.

(ii) Both teams involved in the game and officials are required to file Lack of Christian Behavior Reports in writing (e-mail) within 24 hours of being notified by the Director. Christian Behavior Report will not be considered as reason for appealing or protesting a ruling.

After the 4 - 6 hour period the Chairperson will contact quorum members for their vote. (b) All games forfeited will result in assigning a win for the opposing team and the games will count in the final standings.

(c) Games are to start at the appointed time. If the game has not begun within fifteen minutes of the appointed time, the officials can forfeit the game to the ready team. In such cases, officials must sign the book and specify the time of departure. Coaches cannot agree to reschedule games if one team is not ready or does not have enough players – the team not ready or without an adequate number of players must forfeit the game.

(c) A game should be postponed if there is a potential for trouble from the players or fans.

(d) Games should only be postponed due to inclement weather. Lack of players, not aware of parish events, school events, or community events etc. is not an acceptable reason to postpone a game. Under these circumstances, if the weather is good, the game is expected to be played, and will result in a forfeit for the team postponing the game.
(e) In case of inclement weather, and a game is started, a coach may use his/her discretion to postpone the game for the safety of his/her team. In this circumstance, the events surrounding the game should be immediately reported to the CYM Sports Coordinator.

(f) All postponed games must be made up by the scheduled last day of the season. No games can be made up after that date. Games not made-up by the last day of the season will result in a double forfeit in the final standings.

Section 3.03 Technical Foul, Incident, Ejection or Accident Report

(a) All incidents occurring either before, during or after a game, or ejection involving coaches, players or spectators must be reported via a Lack of Christian Behavior Report within 24 hours by Contact Persons to the CYM Sports Coordinator.

(c) Trips to the hospital related to a CYM Sports practice or game by a player require the presence of the Contact Person, a coach or the parent/guardian.

Section 3.04 Playoffs

(a) Playoff seedings and pairings will be determined by the CYM Sports Board the week preceding the playoffs.

(b) First place teams will be in one draw for seedings. Second place teams will be in a second draw, and so on.

(c) In case of a tie for any place finish in the regular season standings, the following tie-breaking procedure shall be followed in order to seed teams in the tournament bracket.

(ii) Each team’s section record versus the team or tied teams occupying the highest position in the standings. Continue down through the standings until one team gains an advantage.

(iii) Each team’s section road record versus the team or tied teams occupying the highest position in the standings. Continue down through the standings until one team gains an advantage.

(e) The higher seeded team will be considered the home team.

(f) Postponement, cancellation or resumption of playoff games is at the discretion of the representatives of the CYM Sports Board present and is final. Although an umpire or referee may delay a game, he/she cannot postpone a playoff game.

Article IV. Tournaments

Article V. First Aid
Section 5.01 Responsibility

(a) All teams are required to provide team first aid in the form of a kit. This kit must be placed in the area of the team’s bench for their use. The kit must include materials necessary for correctly dealing with blood and open wounds. The kit also must be present at team practices.

(b) Infections due to blood borne pathogens are a real concern for all. The contact persons, coaches, and players need to be advised on proper procedures for dealing with cuts and blood.

(i) OSHA has created a standard to provide a method to reduce the risk of contracting a blood borne disease on the job. The standard covers anyone who can reasonably anticipate contact with blood or potentially infectious body fluids. It is required
that each team identifies all personnel whose contact with students exposes them to blood and potentially infectious fluids. In addition the personnel are to be educated in the exposure control plan which identifies those persons covered by the standard and determine what measures will be taken to reduce the risk of exposure to blood borne pathogens on the job. Guidelines for Exposure to Blood and Other Body Fluids were developed by the Secretariat for Education, Diocese of Pittsburgh in 1995. (cf. Guidelines, 513.1; also, cf. IX. (c) We have no control over the accreditation of the coaches of the other teams that are not sponsored by parishes of the Diocese of Pittsburgh.

(d) We have no control over the other teams who may not necessarily hold to our values or believe that we are about forming Catholic Christian Athletes.

Jerseys/t-shirts must have a 4” number in front and a 6” number in back. Neither of the single digit numbers one or two shall be used, nor shall any single digit greater than five.
Section 7.04 Amendments to the N.F.H.S. rules:

(a) The "Mercy Rule" is as follows:

(i) At any time in the second half, if the winning team is leading by 30 points, the clock will run continuously except for shooting fouls. Of course, the clock will stop for injury, time outs and if the referee asks for the clock to stop (e.g. if the ball rolls out the gymnasium door).

1) One word of caution for coaches: if you instruct your players to foul, either in a mercy rule game or a tight game late in game time, please instruct them in the proper way to foul so they are not called for a flagrant foul. Examples of a flagrant foul could be:

a) Grabbing an opponents' shirt from behind.

b) Fouling a player without "playing the ball."

c) A push.

d) A hard foul.

2) All referees should know that in a close game a team may be trying to foul and your players just need to lightly foul to stop the clock. That way, opponents should not misinterpret the intentions of the person committing the foul and no "situations" should develop.
