## WHAT IS ALPHA?

Alpha Online is a series of group conversations that explore life, spirituality, and faith through a Christian lens. We create a non-judgmental and open environment where it's easy for anyone to explore questions about life - from the person who is not even sure if there is a God, to the person who is curious about faith, to the person who has a solid faith. If you want to know more we'd love to invite you to try Session 1 of Alpha Online. It will be a fun evening where you can find out if Alpha is for you. Starting Tuesday, September 22, 7:00-8:30 PM on Zoom.

## HOW IT WORKS

- ◆ **WELCOME** *Introductions:* Welcome and meet some new people.
- ◆ **WATCH** *Small films with big ideas:* Each Alpha evening features a 25 minute film. Designed to inspire more questions than provide answers, these short films explore the big issues around faith and unpack the basics of Christianity, addressing questions such as "Who is Jesus?" and "How can we have faith? "
- ◆ **DISCUSS** *Discuss the questions that matter to you:* The entire night builds towards this experience. After the film you will be put into a virtual breakout room and your hosts will lead conversations in small groups where you can share your thoughts about the topics of the videos and hear from others in your group. You can feel free to say whatever you like or as little as you like, it's up to you.
