Want to see what life is like for people in **third world** countries?

Compassion International is a non-profit organization through which children in need can be sponsored and rise up out of poverty. Compassion International will be hosting an interactive tour of life in the developing world in our area! The event, called The Compassion Experience, will be held at Grace Point Church April 26-30. It is **FREE and family friendly**, appropriate for all ages.

“This free event features an **interactive journey** through the true stories of children living in developing countries like the Philippines, Kenya, Uganda and the Dominican Republic.

In over 2,000 square feet of interactive exhibit space, **visitors will step inside homes, markets and schools** — without getting on a plane. Each child's story starts in poverty but ends in hope.”

Take a little time to drop by this event with your children! See more information including times at <https://cts.compassion.com/events/1022>
