

Welcome parents! Holy Trinity is an excellent school with a talented, caring staff, enthusiastic students, and involved parents. The Home and School Association is a volunteer group dedicated to supporting the school and enhancing the quality of the educational experience at Holy Trinity for all students and families.

Our key goals include:

- Coordinating volunteer participation to support school programs
- Hosting extra-curricular activities that encourage family involvement
- Sponsoring activities that increase inclusivity and school spirit
- Raising funds for supplemental services, enrichment experiences, equipment, and supplies
- Supporting the school administration in their goals

Your involvement is important and will contribute greatly to your child's success. We are excited that your child will be part of this school, and we look forward to getting to know your family. We invite you to become involved and to make this school an even better place for all the children. Whether you choose to lead a committee, assist with a committee, or simply send in supplies for events, your help is very important and appreciated!

A large portion of Home & School's commitment is spent on coordinating volunteers and school events including necessary fundraising. Some of our larger, annual fundraisers include Food Truck Friendly, Bingo Nights, Designer Purse Bingo, and Race for Education. We also promote many no-cost fundraising efforts for the school such as collecting General Mills Box Tops for Education and participating in the Giant Food Store A+ Rewards Program. We are also involved in Shoparoo, a free app that turns photos of shopping receipts into money for our school.

We have some annual events that we run to help keep the awesome school spirit alive here at Holy Trinity. These include Milk and Cookie Day, Santa's Workshop, Holy Trinity Day, Trenton Thunder Night, and much more. We love to celebrate our "Small School with a Big Heart" with our students!

There are many ways you can get involved. If we all work together, everyone taking a small part, we can accomplish so much for our children. Please feel free to contact any Home and School Officer with suggestions, questions, or offers of assistance. We look forward to working with you and for you this school year.
