January 2018

Dear Participant,

Greetings and God’s peace to you! Enclosed are the application materials for the Institute for Spiritual Direction (ISD). There are seven elements in the application/admission process. All seven are listed below so you will be aware of them.

1. The ISD program is open to those who are and have been *practicing Catholics* for at least three years. The program is also open to all other faith denominations.

2. Admission to the ISD program requires the applicant to be currently *participating in Spiritual Direction*, as a directee and have been so participating for at least two years.

3. The **Application Form** is to be completed and mailed to me at PO Box 58, Belton TX 76513. Please write or print legibly. Only the formation team in the Institute will have access to this information for purposes of processing the application. A copy of the application should be retained by the applicant. The application must be printed and completed by hand.

4. The **Recommendation Form** (at end of this application) is to be sent to the four references the applicant has listed on the last page of the Application form. Once the Recommendation is completed, the form should be mailed to me. The applicant may request a copy also be sent to him/her.

5. Ministry in the Diocese of Austin requires compliance with the Ethics and Integrity in Ministry (EIM) statutes for Spiritual Directors. To be compliant, one must complete an online application which initiates a **Background Check**. The applicant must also attend an Ethics and Integrity in Ministry Workshop. A sheet is enclosed with directions for completing the background check. Applicants may register for a workshop through the diocesan website www.austindiocese.org. If the applicant has not completed these, they should do so at their earliest convenience and then inform me upon completion so that there will be a record of that in the diocesan offices.

6. After the above are completed, an interview with members of the ISD formation team will be arranged so that we can more of the applicant's spiritual journey and call to the ministry of Spiritual Direction. This will be done in person.

7. Admission to the ISD program is confirmed by the Approval of the formation team and will then be communicated to the applicant.
This is a 2 year program. Sessions will be held 8 times per year and the cost is $1800 per year for those individuals wishing to stay in a private room. For those wishing to share a room, may do so for a cost of $1500 per person per year. For those who wish to commute each day, the cost is $1200 per person per year.

This cost includes room and board, food, and use of Cedarbrake Retreat Center facilities. Each candidate is responsible for providing the required books.

Our first session will be January 18-20, 2019.

Applicant is asked to return the completed Application Form and begin to address the other elements of the application/admission process in a timely manner so that the formation team will have ample time to study the application materials. There are limited available spaces for the 2019-2020 program.

The Institute for Spiritual Direction program is, essentially, a discernment. It involves the discovery and confirmation of a gift and a call from God to serve and accompany others as a Spiritual Director. That discernment will involve the Spiritual Director and the formation team. This has important implications. Application to the program does not mean automatic admission. Admission to the program does not guarantee completion. Application and admission to the program are the beginning of a journey, marked by a willingness to discover God's will in this regard and a desire to respond. That discernment remains the priority throughout the program.

Thank you for your application to the program.

Blessing to you in life and ministry.

Beverly Collin
