Heavenly Father, we humbly invoke your blessing on we who are gathered here.

Lord, you are the source of our life and of every gift. All good things come from you and nothing without you has value or is holy.

May we grow in our conviction that human life is a sacred gift from you that is to be protected and cherished so that the dignity of every person will be respected and valued.

As we remember the sad and tragic decision of Roe v. Wade, we are not discouraged for we believe you have triumphed over sin and death.

You call us to defend and protect, nurture and sustain the precious gift of every human life – from its beginning until natural death. Move our hearts with compassion and action to make sure human dignity is upheld - the dignity of the unborn, the weak, the sick, the elderly, the immigrants and the poor.

As believers in Christ, we pledge to defend and promote the right to life. Give us the strength to confront the many attacks on life.

Lord, guide us in your wisdom, comfort us with your mercy, protect us with your power, and help us to seek justice. May all turn to you, O God, for guidance, seeking to do your will, and receive your grace.

We pray for the conversion of all who support abortion that their hearts will be opened to the Gospel of Life. We ask that in your mercy you bring peace and healing to all whose hearts are weighed down by the sin of abortion.

With your guidance, and being aware of the great responsibility we have towards others, may we work to promote the value and incomparable gift of each human being.

We ask this through Christ our Lord. Amen
