Sacrament of Marriage

The sacrament of Marriage is a sacrament of service. In marriage, God gives us the grace to give to our spouses with charity, a grace that often calls our hearts to grow and expand. When we learn simple charity and pour ourselves out as a gift to another, we more readily offer our time and talents to those most in need. In making a gift to the Catholic Services Appeal, you are practicing that charity and grace given by God to give your life in service to others. Gifts to the Catholic Services Appeal support marriage ministries, like “Movimiento Familiar Cristiano USA,” which helps couples root their marriages more fully in Christ and center their family's lives around the Eucharist.

Christ makes all things new

The one who sat on the throne said, “Behold, I make all things new.” Then he said, “Write these words down, for they are trustworthy and true.”
