****Please be on time and present this month as we have paired new servers up with experienced servers to use this time as their training.**

There is no 7AM Mass on Wednesdays since we have the all school Mass at 8:15.

Servers must call a friend/classmate to replace them, if they cannot attend a Mass.

We are very appreciative of you taking the time to serve Mass. We hope you find this fulfilling and get closer to Jesus as you attend Mass during the week and get to be more involved in the Mass.
